“We didn’t realize how much we needed Olimpia until she arrived for her first visit. She made us the most amazing dinner, cleaned the kitchen, mopped the floor, did the laundry, organized the cupboards, managed to get my stubborn mother to eat, got her to the bathroom and ready for bed all in a few short hours. Within a few short weeks she put 10 lbs on my Mom. Olimpia did everything for us. She was there for my Mom every day right up until the end. Our family could not have survived without Olimpia. We are so grateful”. The Boyd family!

“When my wife came down with some medical problems and needed some caregiving we hired Olimpia and she was a godsend. She helped with her showers, hair and my wife fell in love with her as did I. She has become a wonderful fixture in our home. We can’t thank her enough for all her help.” K&M
